## Flag Pole Dedication Program Nov. 17th

### Louis M. Van Iersel To Be Grand Marshal of Parade

### Harry L. Embree Post No. 3208 of Sierra Madre To Be Host To Program

Sierra Madre will demonstrate its loyalty to American traditions in a rousing patriotic Loyalty Day parade and exercises marking formal dedication of the new Kersting Square Flag Pole and flag the afternoon of Saturday, Nov. 17.

The parade and exercises, in which many patriotic and civic units from throughout the area will take part, is particularly timely in view of the critical Cuban crisis still of serious moment, and because this month and December mark the occasion when California surpasses New York in population and becomes the largest state in the Union.

Commander Wally Boyko of Harry L. Embree Post No. 3208, Veterans of Foreign Wars of Sierra Madre, with headquarters at 40 E. Montecito, chairman of the Loyalty Day celebration, announces that the parade, forming on North Sunnyside and West Sierra Madre Blvd., will move promptly at 1 o'clock, with the new Flag Pole and reviewing stand in Kersting Square as its culminating point.

Don Jackson is chairman of the Flag Pole Committee, with Councilman James F. Abernethy as chairman of the Council's Coordinating Committee.

Louis M. Van Iersel, war hero and one of the few holders of the coveted Congressional Medal of Honor and a Sierra Madre resident, will be Grand Marshal of the parade, with Arthur Embree, father of Harry L. Embree, World War hero killed in action, and for whom the post was named, as Honorary Marshal.

The new flag pole, which was erected with funds raised from Sierra Madre and Hastings Ranch citizens by the Don Jackson Committee in conjunction with the Sierra Madre News, will

**FLASH!**  
Word was just received by Commander Wally Boyko that a U.S. Navy Band from the Pacific Fleet out of San Diego, will be present for the dedication of the Flag Pole on November 17. This is indeed an outstanding honor to our Post and City.

Included in the units already assigned to the parade are the colorful three units of the 40 & 8—San Gabriel Vulture 104 of Baldy, Los Angeles Vulture No. 47, and Orange County Vulture No. 527—the Veterans of Foreign Wars Posts of Burbank and Azusa, Elks Drill Team of Monrovia, the famed Navy Drill Team of San Diego.

Also the Navy Reserve Drill Team of Pasadena, Junior Cadets of Pico Rivera, the Woodrow Wilson Junior High School Band and the Sheriff's Youth Band of Los Angeles.

Commander Boyko expects receipt of replies to invitations from a number of other units before the parade date. Frank B. Barbour, Sierra Madre real estate salesman and prominent Lions Club leader, will have charge of broadcasting the description of the parade.

## PERMITS UP FOR YEAR

Business license fees collected for the month of October totaled \$1,129.50. Plan check and building permit fees collected totaled \$726.50.

Building permits for the first ten months of 1962 showed a total of \$2,230,617, and as compared with the same period of 1961 of \$2,102,905, showing that 1962 was some \$128,000 ahead of the year 1961.

### Winners of Halloween Costume Contest Named

It was kiddies' night Halloween when dusk fell on Sierra Madre last Wednesday. Scores of youngsters, all grades and sizes, dressed in every form and manner of costume, gathered in Kersting Square to participate in the Annual Halloween Parade and activities staged by the Sierra Madre Recreation Department and the Kiwanis Club, with a hefty uplift from the downtown merchants.

The children were judged by the Kiwanis Club and presented prizes for the best costumes of their class. Winners were:

Pre-School: Benjie Rillorta, Angela Hawkins and Garry Narowich; 1st grade: Vince Grippi, Corette Decker and Ann Barton; 2nd grade: Dale McVicker, Katie Groth and Cynthia Martinez; 3rd grade: Timmy Jones, Scott Armstrong and Trippy Hawkins; 4th grade: Marg Griffin, Robert Brown and Milinda Jones; 5th grade: Jeff

McVickers, Flora Willett and Stewart Muscahi; 6th grade: Julie Allerbury, Cathy Rambeau, Mich Kulard; 7th grade: Diane McVicker, Susan Ummel and Mary Bullard.

The Parade, starting at 7:15, proceeded to Sierra Madre Elementary School Auditorium where the youngsters were treated to a spook house, then paraded across the stage. Cartoons were shown and treats were given to all the children.

Along with the many activities for the younger set a very successful dance was conducted by the Civic Club and the Youth Coordinating Council at the Congregational Church. Refreshments were served.

With all due respect to the success of this year's activities, none would have been possible without the able assistance of the following: Sierra Madre Chamber of Commerce; Window painting prizes.

Sierra Madre Woman's Club: Passing out treats. Bethany Church: Cartoons. Sierra Madre Lions Club: Treats and wrapping. Sierra Madre Kiwanis Club: Judging of costumes and prizes.

Sierra Madre PTA: Stage decorations by Mrs. Franklin Williams.

Fire Department: Parade supervision.

### Rose Sale Launched

The Sierra Madre Rose Float Association extends to every Sierra Madrean an invitation to participate, as it begins to build the Sierra Madre float for the Pasadena New Years Day Parade. One of the easiest, and very important ways for everyone to be a participant, is to donate during the Annual Rose Sale.

Mrs. Ann Tyler, Rose Sale Committee Chairman, states that they will again have many of Sierra Madre's most beautiful girls accepting donations, and passing out roses along busy Sierra Madre Blvd., and in front of many local merchant's buildings. Every year thousands of Sierra Madreans participate either through their gifts, or by giving of their time and talent. This year's float "Rose Parade 1890" will reflect the interest and concern of many proud Sierra Madreans, who joined together in community spirit and fun to promote our wonderful city.

The Rose sale will be on two weekends, beginning Friday, Nov. 9, and ending Nov. 17. The committee says, "Take pride in Sierra Madre, and give to this fine community project."

### Flood Bonds Defeated

### Sierra Madre Stays In Republican Camp

Holding true to its tradition and its registration, Sierra Madre cast its votes predominately Republican, followed the State of California vote in some instances but definitely took opposition in many respects.

Using June registration figures, Sierra Madre cast an 86.43 percent vote, with 4765 votes cast out of a registration of 5513, this was some percentage figure higher than the county as a whole.

Citizens definitely turned down Proposition Z, being the storm drainage bond issue by a vote of 2063 for the issue and 2341 against. The issue required a vote of 2736 to have its two-thirds majority of the votes cast, thus lost by 673 votes.

Leaving the tabulation of the State-wide vote to our sister dailies, who would be much more thorough and faster, we content ourselves with giving the vote as Sierra Madre voters saw the issues. All 24 precincts reporting unofficial.

ALL READY for the dedication of the flag pole in Kersting Square is this 25-man drill team which represents the U.S. Naval Training Center, San Diego, California. Depending upon the day the men will wear either summer whites or dress blues. They wear white helmets and white web belts, white leggings and gloves. Wally Boyko says that we are indeed fortunate in having secured this outstanding team for the dedication November 17.

### Flag Pole Dedication

### Drill Team to Be Paraded November 17

The precision drill team of the Fire Control Technician's School, Service School Command, has developed a wide following and become a popular representative of the U.S. Naval Training Center, San Diego, Calif.

It is not difficult to understand why the 25-man drill team, which includes its own color guard, is so much in demand for public appearances. In its first public performance, in October, 1955, it carried away a trophy for having the best precision drill unit in a major parade. And since that time, the drill team, composed entirely of volunteers, has never taken less than first place in any competition.

Members spend many hours perfecting intricate new routines for use on such occasions as military ceremonies, football games and civic celebrations.

As students at the Service School Command's Fire Control Technician's School at the San Diego Naval Training Center, the members must use after school hours to practice the Manual of Arms, drill formations and special routines.

The group spends approximately 20 hours a week in drilling after the 4:30 bell which ends classes for the day.

"The team is understandably proud of its outstanding past record and, therefore, the men gladly give their extra time to practice and to maintain their high standards," commented Lieutenant Junior Grade R. Sliwinski, U.S. Navy, Officer-in-

Charge of the school.

In addition to its usual ten-minute precision performance, in which the group can easily adapt itself to a 20 by 20 foot stage, the team has worked out intricate evolutions in a line of parade. The spectacular "four cross" with a nine-count manual, followed by a changing of arms in a circular movement and concluded by the time-honored Queen Anne's Salute, are crowd thrillers that bring applause from audiences wherever the group appears.

### Runaway Truck Makes Big Splash In Swimming Pool

Tilford Zamora suffered an injured right foot early Tuesday morning in an effort to stop a runaway truck on Edgewood Ave., where he and another workman were digging out pavement patches. The truck is owned by F. W. Richter, paving contractor of 80 E. Montecito Ave.

Zamora and another workman had parked the truck at the turn on Edgewood Ave., with the engine shut off the brakes on and set in either first or second gear. Suddenly he looked up and saw the truck moving into the driveway at 645 Edgewood where it knocked down a mail box, crossed the street into the property at 670, jumped a three foot —Please turn to Page 5

### Annual Meeting S.M. Historical Society Nov. 17

The annual meeting of the Sierra Madre Historical Society will be held at the Park House at 2 p.m. on Saturday, Nov. 17. All members and anyone interested in our historical past as well as in what we should do now to insure a worthy historical future are invited and urged to attend by the president, Raymond D. Andrews.

There will be a short business meeting and election of officers, and a discussion of what the society might do to help preserve our pioneer cemetery.

This will be followed by an illustrated talk by Harold Sapp of the Title Insurance and First Trust Co. of Los Angeles on "Pastimes of Early Californians."

### News Provides Town's Activities

## Sierra Madre Merchant Sends Drugs To Other Side Of World

The far reaching distribution of the Sierra Madre News and the products of Sierra Madre merchants was proved through a conversation this week with Rudy Hartman, owner of Hartman's Pharmacy on Baldwin Ave.

Two former Sierra Madre residents and their families who are now living and working in foreign countries representing American business interests receive life giving medicines and drugs in specified quantities that can be obtained only in this country.

And because Hartman's Pharmacy has always proved its value and dependability, Rudy carefully packages each shipment and sends it to the customer on request.

One of the medications is sent to Mrs. R. A. Jacobson in Wellington, New Zealand where Mr. Jacobson is now with the IBM Corporation. As New Zealand is an English territory and socialized medicine exists the needed amount of exact individual dosage cannot be obtained from the local dispensaries.

The other medication is sent to the Henry Hoeneman family formerly of North Adams Street whose address is Hotel Baseler Hof, Frankfurt Am Main, Wiesenhutten Platz 25, Germany.

Rudy received an air mail special delivery letter from Mrs. Hoeneman that was mailed from Germany the morning of Nov. 4 and arrived in Sierra Madre Nov. 5 at 6 p.m. Rudy immediately mailed the necessary product that cannot be obtained in the area where the

and Milan, Italy.

Their three children, John, 13, David, 11, and Kathy, 8, are attending school in Switzerland and having a fine time with the French language.

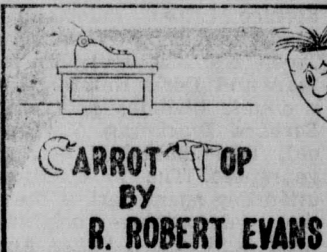

Mr. Schrotzberger's mother, Mrs. Lillian Schrotzberger of 245-A N. Adams, was born in London and has a brother in Enfield, England. But she reports, "My son and his family read every word in every column in the Sierra Madre News, a strong link with their friends in their own hometown." They plan to return to Sierra Madre February of 1963.

### Absolutely Free For The Taking

Free, absolutely free, how about that. This is no fairy tale, this Saturday only, Nov. 10 between the hours of 9 a.m. and 1 p.m. Barrett's Home Gardens wants to clear out all his remaining stocks.

They want to give them to the people of the Sierra Madre Area, absolutely free.

Now is the time to look up the advertisement on the classified page, get your truck, trailer, wheelbarrow, wagon, or just get there and pick up those one and five gallon cans. First come, first to get the pick of the crop.

Today, as you read this small epistle, the right man has been elected. Maybe not the right man as far as you're concerned, and again as far as you are concerned maybe the right man was elected . . . anyway, nationally, state-wise, county-wise, and right here in Sierra Madre, the people have made the selection . . . in the words of the Majority "the best man has been selected."

—CT—

Now comes the time when all of us should devote some of our time in mending our "political fences." Jagged holes have been torn and ripped. These fences must be repaired with all haste and as free people of a free nation we should now join together and make the very best out of that which we chose.

The other morning when we came out into the morning air, we found that the entire valley was shrouded in a complete fog . . . sorta reminds you of Wednesday, the day after election. Seemed that a great many of us were going around in a complete fog.

—CT—

Speaking of elections and fog, I was quite tickled early Wednesday morning when a very prominent businessman paid a visit to the News Office . . . I hesitate to state that he was in a fog . . . in fact his mind was very active, but there was a marked indication that he had spent a few hours with the returns, and happiness was not his predominant feature this early morning . . . anyway here is his story . . .

—CT—

Seems that morning after morning, he had always gone to his favorite Coffee Emporium and without aches and pains received his quota of coffee and doughnuts, but this morning as he sat down in this seat, the waitress informed him "No Doughnuts." He hesitated momentarily, and then with his head cocked to one side made the following statement "Is this the way things are going to be from now on?"

—CT—

Well, thank goodness, the election is over . . . no need here for post-mortems . . . we can set back and relax ourselves for a real battle two years from now . . . and that will be the time the President will be at the stake . . . from all indications this one will be a dilly.

—CT—

I was reading a trade publication this past week and happened upon a column written especially for publishers of newspapers. The column was so amusing to me and so paralleled others in life, that I am hereby clipping same and reprinting it so that you can receive some of the same chuckles that I had the pleasure of enjoying. Instead of the "Dear Jane" type column this one was called "Dear Mady," and here she goes.

I have been working as secretary and Girl Friday to the publisher of a weekly newspaper for seventeen years. I like my work, but during that period I have never received a raise in pay. What should I do? —Please turn to Page 6

### Lee Shippey Writes On Post Election

Now the election is over, many of us are reaching out for comforting thoughts, so we can settle down to making the best of whatever happened and proceeding as good Americans . . . For example, it is comforting to all those who were disappointed to recall the good old standby, "It isn't winning or losing that counts most, but how we played the game." That is so true that it is a great consolation to know one has done his best for what he believes in. It makes one feel proud, even though his cause lost — unless he happened to have bet on it. For unfortunately you can't find a bookie who pays off on the how-you-played-the-game basis.

Another comforting thought is that no candidate is ever quite as black as he has been painted by the most prejudiced of his opposition. Just think how badly off our country would be if that weren't true.

Indeed, it is doubtful that we could have formed a nation. For George Washington had his bitter critics who imagined — or tried to make others imagine — he was seeking kingly power. And if Lincoln had been one-tenth as unfitted for the

# SHADES OF HASTINGS

Margily Rowzov

Fasten your seat belts and hang on — Marge Rowley and Emily Morzov are joining forces in a new venture. According to the dictionary the word "venture" is defined as a hazard or risk. In this particular area, it's our hazard — your risk. Due to the fact that our combined efforts barely add up to one small talent, we have united using the alias MARGILY ROWZOV.

Because the entire Hastings Ranch Area is a bee hive of activity year-round, there should certainly be ample material to keep this column humming. SO CALL US, ALL YOU BUSY BEES!

This past Halloween was an exciting time for everyone. There were cider and doughnuts, poison (?) punch, apples and candy, cats and witches, and Jack-o'-Lanterns everywhere. Donna Kates, assisted by Bernice Lifton, entertained 14 costumed Brownies from Troop No. 335. Jean Brackman and Doris Harris gave a double birthday party for Barbara Brackman, 7 years old, and Robin Harris, 9 years old. The 18 children attending spent part of their time decorating original trick and treat bags. Another Halloween party was given in honor of Marilyn Shaw's eighth birthday anniversary. Her mother, Mrs. William Shaw, served doughnuts a la mode crowned with tiny pumpkins to the eight guests.

Mrs. John Erbach entertained for her daughter, Patti, who was also 8 years old. As part of the fun the nine guests decorated gingerbread boys. As a special news flash, Vonda Stewart went to the store and bought a new tire. (Everyone has exciting adventures and we like to pass on the news).

Mr. and Mrs. Robert Frye took a week-end trip to Tijuana for the purpose of purchasing articles for their home, which they are decorating in Mexican Modern. Other weekenders were Mr. and Mrs. Jim Carl and their children, Bradley and Holly,

who joined three other families for an outing south of the border.

Mr. and Mrs. Keith Stiles and children, Tommy and Billy, spent a most enjoyable time in Big Bear, high above the smog.

A weekend at Palm Springs and dinner at Don the Beachcomber's was the special treat planned for Hank Clement's 12th birthday anniversary by his parents, Mr. and Mrs. Warren Clements. His grandmother, Mrs. William Barry of Ogden, Utah, joined in the festivities.

Bob and Jeri Fey have returned from a leisurely trip through northern California where they visited Margo and Dave Elmer, former residents of the Ranch, who now call Orinda their home. A stay of several days in San Francisco, Carmel, and Las Vegas highlighted the trip. Jeri reports that their visit to the Madonna Inn at San Luis Obispo was most exciting. The motel, dining room, and unbelievable dancing area lavishly decorated with gold cherubs and beautifully landscaped are well worth seeing.

Mr. Albert Bergh returned from an extended business trip through Texas with a charming surprise for his family. He brought Mrs. Charles Chappell, Mrs. Bergh's mother, for a visit. Mrs. Bergh will attend the Texas University Alumni Luncheon at Michael's Restaurant in Los Angeles, next week, accompanied by Mrs. Thomas H. Dial, also from this area.

Seen going to Hollywood Park for the harness races were Mrs. Don P. Wilson, Mrs. Donald Kates and Mrs. Robert Frye.

Mr. and Mrs. Tom Walsh spent four days at the Dunes in Las Vegas, with Mr. and Mrs. Michael Brent of Arcadia.

The Foothill Republican Club had their regular pot luck dinner and business meeting on Nov. 7. Among those attending were Mr. and Mrs. Ed Messinger, Richard Wagner, Frank

Crowhurst, Owen Olpin, and Gerrie Putnam.

We are happy to report that J. Harvey Brown Jr. is recovering nicely from major surgery. Harvey is in the Sierra Madre Community Hospital.

A fashion show at Occidental College featuring fashions from a fashion house in Pasadena was sponsored by the Alpha Sorority. Among those who attended from the Ranch were Mrs. Raymond Cox, Mrs. Edward Vail, Mrs. Richard Darby, and Mrs. William Kinard. Mrs. Vail won both the table prize and a door prize.

Las Jardineras held their annual Fall progressive dinner recently. Cocktails were served at the Peter Lowrys, following which one half of the group went to the Horace Ray home and the rest to the Russell Pools for dinner. The evening was topped off with dessert and dancing at the home of Mr. and Mrs. John Veale.

Attention, art lovers! Don't miss the exciting exhibition by Igor De Skansy at the Lopez Gallery in Sierra Madre. The show opens Friday, Nov. 9 at 8:30 p.m. Mr. De Skansy was recently featured in Design 8 at the Pasadena Art Museum and his work has been published on the cover of the Home Section of the Los Angeles Times. He is the brother-in-law of the Malcolm Murisons.

This is the way to the Hall of Fame — The written word — the printed name. Enjoy everything you say and do, But remember, MARGILY'S watching you!

Spending the weekend at Singing Pines recently were the members of Troop No. 235, under the leadership of Mrs. Rod Carley. The group is working toward their Curved Bar Rank, and as part of the requirements for the conservation badge, they undertook the responsibility of painting the water tanks.

The girls of the Troop are Karen Andrews, Karen Bradford, Carol Carley, Gretchen Corpe, Linda Dickson, Sally Driemeyer, Karen Freinkel, Madeline and Marleen Juhl, Linda Larsen, Suzy Pulsifer, Sandra Schneider, Melani Scott, Sally Stires, and Candy Marrs. Mrs. Carley was assisted by Mrs. Alan Pulsifer.

Senior Troop No. 372 recently were the guests of the La Canada Senior Troop Triumph, where they were entertained with pictures from the Round-Up at Button Bay, Vermont. The 23 girls joined in group singing and folk dancing.

## Three Capable Men at Head

### Bischoff President of Sierra Madre Little League

The Sierra Madre Baseball Association proudly announces the Little League officers for the 1963 season. They will be Carl Bischoff as president, Bill Neely as vice president and Bob Collup as secretary. Carl has generously contributed his time and talents to the youth of Sierra Madre. Bill Neely has been an outstanding manager of the Angel Minor League team and a director in Little League for the past two years. Bob Collup has been a very popular manager of the Padres Minor League team. With these three capable men at the helm, Little League should have continuing success with its excellent program.

The Sierra Madre Baseball Association, composed of officers from the Little League, Babe Ruth League, and the Women's Auxiliary, extends its sincere appreciation to Little League's outgoing President Paul Westman, Vice President Bud Hartman and Secretary Bill Bennet for their outstanding leadership during the 1962 baseball season.

### Hospital Group Meets Nov. 13

St. Luke Hospital Auxiliary will hold its first general meeting of the season on Tuesday, Nov. 13, at 12:30 p.m. in the Hospital Staff room, according to Mrs. Bernadette Russom, president.

Mrs. Paul F. Johnson, program chairman, has plans for an entertaining interlude after the business meeting. Miss Dolly and Mr. David, of Dolly's Bel-Hair Salon, will demonstrate the creation of new fall hair styles. Auxiliary members, Mrs. John Mason, Mrs. Harry Patterson and Mrs. Irving Skidmore, will be the willing models.

A membership cocktail party, under the chairmanship of Mrs. Francis Rudd, held in the gardens of Dr. and Mrs. Donald Edmeades' home in Altadena, was a recent festivity which gave the members and their guests a change of pace from serious endeavors.

### Dental Society To Meet Nov. 13

Mrs. Wilfred Lewis, president-elect of the Woman's Auxiliary to the San Gabriel Valley Dental Society, has planned a most interesting luncheon meeting to be held Nov. 13 at Eaton's Santa Anita Restaurant, 1150 W. Colorado Blvd., at 11:30 a.m. Mrs. Lewis will introduce Miss Eve Blake, lecturer and writer, whose subject will be "Laugh at the Years." Miss Blake, formerly under long-term writing for several major movie studios, has had articles and short stories published by the New Yorker, Colliers and Fortnight. Her lecture is filled with practical ideas that can make the difference between a sour, stagnant old age and a joyous, productive maturity.

Assisting with arrangements for this meeting are Mrs. John Murphy of Sierra Madre, hospitality chairman, and Mrs. Graham Naylor of Glendora, decoration chairman. Reservations may be made by contacting Mrs. Gerald Hosterman of Temple City, AT 6-8064.

MRS. MILTON EMERSON, president of Women's Fellowship, and Mrs. Lewis George, Jr. Morning Circle president, preview with enthusiasm some glass chimes and Christmas decorations which will be on sale at the bazaar of the Sierra Madre Congregational Church Nov. 9 and 10. Mrs. Esther Eppard (right) will be in charge of the coffee service.

### Bazaar And Rummage Sale November 9

The doors open promptly at 9 a.m. Friday, Nov. 9, for a two-day bazaar and rummage sale in Pritchard Hall in the Congregational Church. The bazaar will have a varied assortment of hand-made articles, from aprons to quilts.

The Morning Circle has been making hand-crafted gifts and Christmas decorations which will be on sale. There will be a feast of baked foods to take home to the family and coffee and doughnuts to be enjoyed while visiting and shopping. A big assortment of clothes, appliances and furniture will be for sale.

Anyone still wishing to have rummage picked up, please call Mrs. Barbara Cline at home, EL 5-2564, or at the church Thursday morning, EL 5-9902.

### Highland PTA Choose Fair Theme For Nov. 10

"International Fair" is the title chosen for the Annual Highland Oaks PTA Carnival to be held on Saturday, Nov. 10, from 11 a.m. to 4 p.m. Families in the Arcadia area are invited to share in the exciting events planned for fun for all ages.

Food booths and games will depict countries from all over the world. There will be various rides, games for all, prizes and surprises from the lady with the thousand pockets.

A special treat is in store as Chief Way of the Arcadia Fire Department will provide a fire engine, complete with a fireman, for rides for the children. Dads will ride, too, for helpful hands and watchful eyes.

Mrs. James Biggerstaff, chairman of the event, is being assisted by Mrs. Charles Beatty, president of PTA; Mrs. Paul Doleshal, art chairman; Mrs. Bart Anderg, treasurer; Miss Pearl Dillingham, principal of the school; Dr. Wayne Morrison and Mr. Ray Biggerstaff, purchasing.

Come early and stay late and enjoy this happy day at Highland Oaks School.

### Fashion Show November 13

"A Pageant of Loveliness" has been chosen as the theme for a benefit luncheon and fashion show to be staged in the Viennese Room of the Huntington-Sheraton Hotel at noon on Nov. 13 by the women of the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia. Proceeds from the affair will go toward a new Fellowship Hall.

Selections from the collections of Don Loper, Marjorie Montgomery, Georgia Bullock and many of California's most distinguished designers have been chosen for the show which is being presented by Ethel Joutras and the Little Couture.

Door prizes ranging from decorative objects to a week at the Palm Springs Ranch Club will delight the guests.

In addition to the show, a Christmas Boutique will be featured, offering an opportunity to purchase many unique gifts and decorations.

Among the patrons and patronesses are Messrs. and Mrs. Lee Kingsbury, D. R. Gero, F. T. O'Barski, Robert Spencer and Adela Rogers St. Johns.

Committee chairmen in charge of the affair include Mmes. James Richardson, general chairman; Robert Spencer, programs; Marian Lipkin, reservations; Joan Barnes and Hortense Seymour, decorations; Charles Eicher, door prizes; M. M. Dozier, publicity; M. L. Miller, boutique, and Miss Nedra Snyder, design.

Reservations are being taken by Mrs. Marian Lipkin, 1164 E. Green St., Pasadena, SY 5-6085.

Future plans for the Women's Club

### Sierra Hastings Bluebirds Meet At Field School

Sierra Hastings Second Grade "Cheerful" Blue Birds of Eugene Field School, under leadership of Mrs. Donald Hayes, have started their weekly Thursday afternoon meetings at 2:30 at the Trinity Presbyterian Church.

A special mothers' meeting was held at the home of Mrs. Charles E. Coots Jr., 3670 Newhaven Rd., at 10:30 to acquaint the new mothers with the Blue Bird and Camp Fire program.

Assisting Mrs. Hayes as Blue Bird leaders are Mrs. Charles J. Haver and Mrs. Jarratt Brunson. Mrs. Charles Coots will be transportation chairman and Mrs. Warren G. Schlinger will be the "Cheerful" Blue Birds sponsor.

The Blue Birds are having their first cook out at Camp Chiquita on Nov. 8. This is a beautiful camp in the Altadena foothills for Blue Birds, Camp Fire Girls and their leaders, where they enjoy cook outs, overnights and Summer Day Camp.

The following 17 second grade girls are participating in the Blue Bird program: Cassandra Begin, Marsha Bell, Sally Beringer, Nancy Brunson, Cynthia Coots, Pamela Craig, Anna Devonshire, Krista Griswald, Nancy Haver, Donna Hayes, Beverly Hyde, Lisa Martindale, Kimberly McClinton, Sarah Lynn Schlinger, Dianne Snow, Susan Rittenhouse and Mary Ann White.

### Jewish Women In Workshop

The November 15 General Meeting of the Foothill Jewish Women's Club will be devoted to a Hannukkah Workshop. All Jewish women, interested in gaining the ideas and know-how to do an unusual and beautiful job of holiday decorating, are invited to the Foothill Jewish Temple-Center, 212 N. Lima, Sierra Madre, at 8 p.m. Awards will be given again this year for the best home decoration.

Hannukkah, known as the Feast of Lights or Feast of Dedication, will begin on Dec. 22 this year. This joyful celebration — during which candles are lighted, gifts are exchanged and contributions are made to the poor — will last for eight days. The holiday commemorates the rededication of the Temple in Jerusalem to God, in the year 165 B.C., after a three-year struggle which resulted in the recapture of Jerusalem and the defeat of the Syrian tyrant, Antiochus.

Future plans for the Women's Club include a "Hobo Hoedown" dinner-dance scheduled for Nov. 24 and a New Year's Eve party.

### Little Art Group To Exhibit At Woman's Club

The Little Art Group of Sierra Madre which is under the direction of Marguerite Randolph has two groups of their "true-to-life" paintings now on display in Sierra Madre.

Seventeen of their oil paintings which have been on display have received most favorable comment.

Grace Webber, Art Chairman for the Sierra Madre Woman's Club (she had an exhibit there during September) has invited the Little Group to exhibit their paintings at the Woman's Club during November and December.

### Second Book Interpretation November 14

The second book interpretation of the 1962-63 series of the Fuller Book Club will be given on Wednesday, Nov. 14, at 10:30 a.m. at the San Marino Public Library, West and Huntington Drives.

This series of book interpretations is given by Ruth Cornell Fuller, noted lecturer, writer and artist, under the sponsorship of the Women's Auxiliary of the California Babies' and Children's Medical Center, serving all of Los Angeles County's needy babies and children.

Mrs. Fuller will interpret "The Courtship of Eddie's Father" by the fine author, Mark Toby.

### Dinner-Dance November 24

Hobo haberdashery will be the costume of the day at the Nov. 24 dinner-dance sponsored by the Foothill Women's Club. The "Hobo Hoedown," arranged for 7 p.m. at the Foothill Jewish Temple-Center, 212 N. Lima, Sierra Madre, will feature, in addition to dinner and dancing, a full evening of entertainment, games, door prizes and prizes for the best costumes.

A donation of \$2.50 per "hobo" will go towards the construction of a new Temple-Center. The slight cost is made possible because all food is being donated by the Homemakers Club and Ralphs Market.

Co-chairman for the event, Mmes. Frank Ackerman, Irving Cohen and Abe Axelrod, promise a memorable evening of hilarity to all members and friends of the Temple-Center.

### Sandra Penland And Mark Bascom Engaged

Mr. and Mrs. Ernest M. Penland of 58 W. Grand View have announced the engagement of their daughter, Sandra, to Mark Bascom, son of Mr. Roy Bascom, of 580 Brookside Lane. The engagement was originally announced at a family party and barbecue at the home of Mr. and Mrs. Tim Bascom of 200 E. Laurel, Mark's brother and sister-in-law, on Aug. 29.

Guests at the party were the future bridegroom's father, Mr. Roy Bascom, Dennis Crummy, Kenneth Penland and Cheryl Cordes.

Sandra is a student at Pasadena High School and Mark is now a Seaman First Class in the Navy, stationed at Long Beach.

The wedding is planned for Dec. 9.

## State Contracts Water To SGVMWD Nov. 3

The State of California has contracted to furnish water, upon completion of the State Water Project now under construction, to the San Gabriel Valley Municipal Water District, comprising the cities of Alhambra, Azusa, Monterey Park and Sierra Madre.

William E. Warne, State Director of Water Resources, said the contract calls for initial delivery of 10,000 acre-feet of water in the year 1972, gradually building up to a maximum annual take of 25,000 acre-feet by 1990. Mr. Warne signed the contract with members of the district's board of directors in Alhambra City Hall at 100 a.m. Friday, Nov. 2.

He said the district has expressed its intention to build a pipeline to a point of delivery below the Devil Canyon power plants north of San Bernardino on the state aqueduct's east branch.

The cost of project water to the district, including shared credit for the hydroelectric power generated in Devil Canyon, will be approximately \$55 per acre-foot.

The district's four cities, with a combined population of approximately 130,000, currently pump their water from the San Gabriel Valley ground water basin. The water table has been dropping and the need for a supplemental supply has been recognized for some time. By 1990 the district's population is expected to reach an estimated 185,000.

"This is the fifth contract with a Southern California water agency and the eighth contract in the state," Mr. Warne said. "More than 48 per cent of the four million acre-feet which the State Water Project will provide has been committed to buyers and the department is in touch with a score of additional agencies desirous of purchasing the balance of the project's water."

Signing for the San Gabriel Valley Municipal Water District were David S. Wood, president; Boyl Kern, secretary, and Emmett A. Tompkins, attorney.

## Hermit of The Sierra Madre

with Den Murray

"A reader has protested," I reported. The Hermit said, "Congratulations. It proves you have one." "This reader called up outraged because we've been referring to the Kennedys as a 'dynasty.' He charged we don't know what a dynasty is. The Romanoffs who ruled Russia before the Communists gently machine-gunned them were a dynasty," he said. And certainly Jack Kennedy is no weak vacillating Tsar Nicholas II."

"Well certainly not on election eve," admitted the Hermit. "When the voters are getting ready to speak, Jack is a man of action. Though I can't say that guaranteeing Khrushchev an invasion-proof, blockade-proof Communist headquarters in Cuba was a particularly brilliant stroke."

"This angry caller also pointed out that brother Bobby Kennedy is certainly a more able man than the Asar's brother, Grand Duke Michael." "Yes," admitted the Hermit. "And there's another difference. When the Tsar abdicated in favor of his brother Michael, Mike wouldn't accept the throne. But just let Jack manage to dangle the White House in front of Bobby. You'd hear a snap of devouring jaws not heard in the land since the days of the dinosaurs."

"Lastly," he said, "if you're going to call the

## CARROT TOP

—Poor Anny.

Dear Poor Anny:

It seems to me you are being a little impatient. Give the man time to judge your work and your capabilities. You can't tell when a boss will decide to surprise you. Perhaps he is saving up right now to give you a gold watch on your 25th anniversary of service.

Dear Mady:

My wife is a member of the Sharp Needles, a sewing society. Because I am editor of the newspaper, all of the members keep at her to get me to run stories about the society's activities. I would be glad to oblige, but neither of us can think of anything to say in the story since all they do is sew and eat. What do other editors do in such a predicament—Mystified?

Dear Mystified:  
Most editors would just wait for the inevitable. In a club where sewing and eating are the only activities, sooner or later one of the ladies will swallow a needle.

Dear Mady:

I have a nervous habit of tapping my foot on the floor when I am thinking about what to write in a story. I notice that when my foot starts tapping the editor looks at me and glares. The noise of typing doesn't bother him, but foot tapping does. What should I do?

—Nervous.

Dear Nervous:  
Foot-tapping is difficult to cure. One solution, however, is to chew gum and see if that doesn't replace foot-tapping for release of nervous energy. If it doesn't, then I suggest you put the gum on the sole of your shoe and thus make it impossible to tap. Please let me know the editor's reaction.

—CT—  
In closing, let me make this one last remark, concerning "letters to the editor" that have been published recently. My feelings along this line more or less parallel those of Voltaire, when he made this similar quotation, "I do not necessarily agree with what you say, but I will defend to my death, your right to say it." As long as the letters keep within the rights given us, as publishers, by the federal government in a document called "Second Class Mailing Privileges," then those letters will be published and I, each and every citizen, who wish, have the opportunity of expressing himself as he wishes. See you among the crowds doing their Christmas shopping, I hope, I hope, I hope.

Kennedys a dynasty, where is your Tsarevitch to inherit the throne?" "Your caller overlooked little Teddy," said the Hermit. "Teddy could easily be cast in the role of a Tsarevitch. He's young, inexperienced, insulated against the rigors of making a living by layers of greenbacks so high that the most athletic steed in sister-in-law Jackie's stable couldn't hurdle them."

"Oh yes," I remembered, "And then he said there was no Rasputin in the picture. No mad mystic in monk's robes holding the President under his spell and giving him bad advice."

"I could give your reader an argument on that score," said the Hermit. "If you'd gum a few strands of long greasy curls on the egg heads of some of those presidential advisers — outfit 'em in their Harvard graduation gowns — you'd think you were seeing Rasputin legging it in and out of the White House like a 'horde of nest-shifting ants.'"

## Thousands of Roses On Display

Thousands of rose blossoms—growing on bushes, displayed in vases and featured in unusual flower arrangements—will be on view next Saturday and Sunday at the fourth annual free Thanksgiving Rose Show in the "Pageant of Roses Garden" at Rose Hills Memorial Park.

R. L. McNitt, president of Rose Hills, which co-sponsors the show with the Rio San Gabriel Rose Society, said this week that more than 3,000 rose blooms of all types and varieties are expected in the competition for trophies, ribbons and other prizes.

"In addition, there will be a flower arrangement competition featuring some 100 entries," McNitt said, "and most of the 4,000 bushes in the garden itself are now in full bloom."

The two-day show will be open to the public from noon to 5 p.m. Saturday and from 9 a.m. to 5 p.m. on Sunday. There also is no entry charge for those wishing to enter roses in competition, but entries must be delivered to the garden between 7 and 10:30 a.m. on Saturday, he said. A free brochure outlining entry classifications, awards and rules can be obtained by writing or telephoning Rose Hills.

The "Pageant of Roses Garden" is an official American Rose Society display garden and features more than 4,000 rose bushes of 276 varieties, including more than 50 of the All-American Titlewinners. It is open to the public daily throughout the year.

## 'YOUR CITY AND MINE'

### THE PAINS OF PROGRESS

This article is going to be a salute to you Sierra Madrians who have suffered in silence through construction projects in Sierra Madre. North Baldwin and Lima for street reconstruction, storm drains and sewers; water lines and gas lines; Grand View, Carter, Lima Street, and Skyland Drive during debris basin cleanout. Occasionally the telephone at the City Hall does ring with an irate citizen but the percentage is extremely low.

Next time you drive down some street and it is blocked to allow for installation of a sewer line, a new gas or water line or reconstruction of the street, think in terms of growth and development and not in terms of interruption of personal convenience. Progress and transition are painful. Sierra Madre is one of the oldest towns in San Gabriel Valley and in many ways it was not designed for what we moderns feel we need and desire. New low cars emphasize the need for better streets (without deep gutters), garbage disposals, the need for sewers, additional population the need for larger water lines and more water reservoirs.

This doesn't mean that you must always suffer in silence, for often the condition can be helped if it is brought to the attention of the city hall. Your suggestions will be given consideration and they sometimes point up a solution that hasn't been considered.

While following this progress idea it would be well if some of us would pause and look back at Sierra Madre. Many of us don't think of Sierra Madre as a "growth town," but from 1950 to 1960 it increased over 50 per cent in population and while growth is slowing down, population projections indicate it will increase another 50 per cent to 15,000 people plus, in the next 20 years. Compare the new swimming pool with the old canyon pool (bet many of you unheated, overcrowded, no don't even remember the parking place pool), the new library with the old building (remember Lulu Moore and the old frame building), the sewers which now serve almost half of the residences, the storm drains which protect Auburn, Lima and Baldwin from severe damage such as was experienced in the past and the much more attractive business district with its new buildings and modern street lights.

Sierra Madre is different and quiet and in some ways quaint, but this doesn't mean it cannot meet the future with many of the modern and convenient facilities.

Next time you see the dirt flying, don't consider it as a personal inconvenience but

## Rev. Ray Hansen Announces Vet Day Service

"The Armor of God" will be the Veterans' Day message at 10:10 a.m. Sunday, Nov. 11, at Shepherd of the Hills Lutheran church by the Rev. Ray E. Hansen. The mission, now meeting in the Sierra Madre Masonic Temple, 33 E. Sierra Madre Blvd., is building at 7 W. Foothill Blvd., Arcadia.

"We need to be strong in the Lord to be able to with-

stand the world rulers of this present darkness," said Pastor Hansen in referring to the global crisis with Communism. "Christ teaches us how to stand in the strength of His might in today's treacherous world."

Newly-elected councilmen will be installed. They are Edwin Hilgaertner, Monrovia; Donald L. Mueller, Pasadena; Roswell "Pete" Peters and Paul A. Waalkes, Arcadia. They succeed the retiring councilmen, Karl Helmbruch, Sierra Madre; Henry R. Nelson, Rosemead; Norbert R. Lamoreaux and Robert E. Vogel, Arcadia, who were honored at the annual dinner-meeting Friday, Nov. 2.

Visitors are welcome.

The new electees will serve with these councilmen: Ted B. Anderson and Donald W. Baisch, Arcadia; Ted Huettis, Roger M. Kelley and Ernest W. Nelson, Sierra Madre; John T. Distad, Temple City, and Charles E. Markham, Horizon Hills. The council meets at 7:30 p.m. Tuesday, Nov. 13, at the home of Councilman Helmbruch, 576 Sierra Meadow Drive, Sierra Madre.

Sunday school is at 9 a.m. The pastor teaches an adult Bible class at that hour.

## Low Cost Food

Just about all of us complain about food prices, as we do about other prices. This, in the postwar inflationary era, has become almost an automatic, matter-of-course attitude.

But, in the case of food at least, we're off on the wrong foot when we do that. For, in the United States, food is a bargain — we get more food and better food for a smaller percentage of our incomes than any other people on earth.

That's the story that John Strohm, one of the nation's foremost agricultural writers and a world traveler who has visited 70 countries, tells in the September issue of Reader's Digest. He sets his stage in his opening paragraph: "If I could show any visitor from abroad just one thing in the United States, I would turn him loose in a small-town supermarket with \$25 — the average amount the American homemaker spends weekly to feed her family. For food is our No. 1 success story, a far bigger bargain here than in any other nation."

That's a strong and unqualified statement, but Mr. Strohm has the facts and figures he needs to back it up. We — the typical American family — pay 20 per cent of our after-tax income for food. The Russians, on the other hand, pay 56 per cent, the Swedes 27 per cent, the Italians 38 per cent and so on, with Nigeria chalking up a massive 70 per cent.

Mr. Strohm also nails the common fiction concerning those "... good old days" when prime beef was 15 cents a pound and bread two loaves for a nickel. For, he tells us, those prices had to be paid out of an \$11 a week family income, and food took 40 per cent of the whole. That isn't all either — for today's food is higher in quality, and comes in infinitely greater variety.

The fact that we spend so small a part of our incomes for food means higher living standards in every way — more of the luxuries, better housing, improved education for our children. And better diets have been a significant factor in producing a sharp drop in infant mortality and in extending the life span by nine years in a mere two generations.

What are the reasons for our abundance of food, and its relative cheapness? Mr. Strohm goes into detail here. All manner of forces play their parts. New seeds, new and better fertilizers and insecticides, marvelous efficient farm machinery, bug-resistant crops, are among them. The substance of it is that one U.S. farmer can feed himself and 26 others, where, by way of comparison, a Russian collective-farm worker can only feed himself and three or four more people. As Mr. Strohm puts it, "If our farms were no more efficient than the Soviet collectives I've visited, 20 to 25 million U.S. industrial workers would have to quit their jobs for the farm. Think what that would do to our standard of living and to our ability to shoot for the moon!"

And the food story doesn't end on the farm — not by any means. Mr. Strohm speaks again: "Some eight million processors, package manufacturers, transporters, wholesalers, retailers take our raw farm produce and place 50 billion dollars' worth of food on store shelves. Packing plants utilize 'all of the hog except the squeal,' conserving once wasted by-products for medicines and other valuable items. Jets carry lobsters from Maine to Iowa, fresh vegetables from California fields to Boston tables in 24 hours at a price the housewife is glad to pay."

Mr. Strohm makes what seems to be an unassailable case. Yes — food is a bargain in this country.

## School Boy Logic

There is too much talk today about the profits of business being excessive. The critics of profits never mention the fact that government would be flat-busted with its excessive cost of operation, if it were not for profits to tax. The federal government runs billions in the red now. We can create a real depression if the anti-business talk keeps up and is reflected in action. Then watch the public debt climb and the value of the dollar drop.

It is generally conceded that a bank must have a healthy earning capacity. If it were to lend money at no interest it would be bankrupt. Industry is no different than a bank; it produces goods and services at no profit or too little profit, it will go bankrupt.

Government has no income except what it first takes from its citizens in taxes. Its solvency depends on the ability of its citizens to produce a surplus (profit) to tax.

The Montana Oil Journal tells a tax story: "Do you know that no baseball player in the nation can ever hope to net as much money as was paid Babe Ruth, 30 years ago?"

"In 1931 Ruth was paid \$80,000 — and he had \$68,535 left over after taxes ... To have the same amount of money left today, after taxes, a player would have to be paid \$960,000!!!"

Passage of the \$900 million public works bill brought the current fiscal year's spending budget to \$93.9 billion. The federal deficit for 1961 was \$3.9 billion, for 1962, \$6.3 billion, and for 1963 it is variously estimated at between \$5 billion and \$16 billion.

## Freedom At Any Price

by Henry V. Witty

"Our Government is under attack. The enemy is Communism. If Communism were to win there would be no United States Constitution, Courts, President or Congress."

The above is the opening paragraph of a report prepared fourteen years ago and released by the House Committee on Un-American Activities. This document was the result of a thorough investigation of Communism and Government. The following are questions bothering many Americans today. The answers are taken directly from the above mentioned Congressional report of 1948.

What is the secret of Communism's success? "The carelessness and indifference of other people."

How do the Communists obtain so much power? "By filtering into key spots of control while the majority in any country still thinks Communism is 'just a crackpot idea' and 'Communists are just another political pressure group.'"

If the Communists took over, how would the Government be run? "By one man ... He would be our President, Congress, Supreme Court, and everything else, all rolled into one."

How does the Communist party keep such a tight control of power where it is in command? "The Communists own the guns."

When did the Communists begin to invade our government? "The fatal official turning point was November 16, 1933, the day when the Government of the United States granted diplomatic recognition to the Soviet government of Russia." (This also coincides with the beginning of a determination on the part of the federal government to invade states rights and start us on the road to Socialism.)

What was the result of this recognition of the Soviet Union? "The result was the famous 'Trojan Horse' or United Front program by which Communists were directed to say less in public about violent revolution and do more toward corrupting from within."

What did our Government get officially in return for granting Stalin diplomatic recognition? "Promises to (a) Settle all outstanding debts between the two countries, (b) develop mutual trade, (c) end Communist propaganda against our Constitution, and (d) refuse support to the Communists here seeking to destroy our country."

Were any of these promises kept? "Not one." When did Communist front organizations spring up in the U.S.A.? "Immediately upon U.S. recognition of Soviet Russia."

Are you and I to blame for that sort of thing? "Yes. Until the general public demands it, offices of the Government will always tend to be slack about cracking down."

Do Communists ever try to fix elections? "... They enter into corrupt bargains to back their stooges under cover."

Have Communists in public office been living off our tax money? "Have been, still are, and still will be until everyone of them is forced out of power."

How can they be forced out of power? "Detection. Exposure. Prosecution."

This House Committee on Un-American Activities recognized a serious internal threat of Communist Socialism over a decade ago. Since 1948, the same State Department policy, and in

## OUT OF THE COBWEBS

October 30, 1925

Mr. and Mrs. Karl Graf returned the first of the week from Paris and other European cities, where they have been spending several months. Mr. and Mrs. Graf moved into their new home on East Alegria which was completed during their absence.

Miss Alice Stanley is expected home from a three months visit in the east on Sunday.

Mrs. Frank Cox and daughter, Dorothea left Thursday for a three weeks visit with relatives in San Diego.

November 4, 1943

"It's a great life and I have enjoyed every minute of it," former Mayor Tom Schwartz told friends when he arrived home from the Naval Training Station at San Diego Tuesday on a weeks leave following completion of his preliminary training as honor man in a class of 160. He gained 12 pounds. "And I never felt better in my life," he says.

Mrs. Fanny Sea of 198 W. Montecito ave. and her sister Mrs. Mary Mosher, were dinner guests at the home of the Dawson Trotmans last Sunday.

November 3, 1949

A box supper and dance were held Saturday night at the Carl Jaehnick home, 75 N. Cañon, by members of the Angles Guild of the

Episcopal Church.

Host and hostesses were: Mr. and Mrs. Draper Phillips and Mrs. Ralph Hutcheson.

A luncheon-bridge meeting was enjoyed by the members of St. Catherine's Guild of the Episcopal Church, Monday, at the home of Mrs. Hall Perry, 118 East Laurel. Co-hostess was Jean Wood.

Mr. and Mrs. Ray E. Sage, 150 N. Sunnyside, will be the speakers at the John H. Reagan Chapter of the Daughters of the United Confederacy when the organization meets Nov. 8, at 2 p.m. in the Monterey Room, 648 S. Broadway. The subject of their talk will be "A First Trip To The Deep South."

### Lovers?

The Indians and Red Chinese are fighting the Battle of Rice Ridge — and even though huge losses have been suffered by both sides, the battle casualties are nil, because of their tremendous populations. Both countries are so over-populated that those living near the coasts literally have to lock their arms with one another to keep from falling off ... and to think — some folks still think France is the greatest nation of lovers.

## THAT'S A WONDERFUL STORY!

Yes, that's a wonderful story. Maybe he'll be president some day, or like the man in the story-book. Maybe his picture will one day be shown in an historic sketch—a flashback of the life of someone famous.

It could be you. It could be your own child, or someone you know. The young have dreams, the old have visions. But, from young dreams come realities.

The greatest reality is God. He is waiting... for you. He waits in your church. Relive the dreams of long ago this Sunday... in church we call those dreams, prayers! For prayer is often but a wish, and frequently a silent "thank you" signed to God. You can face stern realities with stronger faith, if you have that faith renewed—often.

INTENTION NO. 1935

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE IN THE MATTER OF THE CONSTRUCTION OF SANITARY SEWERS IN ASSESSMENT DISTRICT NO. 79 IN THE CITY OF SIERRA MADRE, CALIFORNIA.**

RESOLVED BY THE CITY COUNCIL OF THE CITY OF SIERRA MADRE:

SECTION 1. That it is the intention of the said City Council to order the following work to be done and improvements to be made in the City of Sierra Madre, State of California:

The construction of sanitary sewers and appurtenances and all appurtenant work in connection therewith in Grand View Lane (private street) and in Grand View Avenue.

Beginning at the existing manhole at the intersection of Grand View Avenue and Hermosa Avenue and extending northerly approximately 830 feet in a sanitary sewer easement, as shown on plan sheet 1.

All of the above mentioned work is more particularly and specifically set forth and described in the plans, profiles and specifications for said work heretofore adopted by the City Council of the City of Sierra Madre by its Resolution No. 1934.

SECTION 2. That all of said work described in Section 1 shall be constructed in said streets, avenues, roads, lanes, courts, places and/or public ways or easements heretofore described of the dimensions, materials, and in the particular locations set forth and shown on the plans and detailed drawings, consisting of two sheets and the specification heretofore adopted and referred to, together with the construction and appurtenances thereto, including necessary fittings, trenching, grading and regrading, and the removal of obstructions, connections to existing services, backfilling, reconstruction of existing ground surface as required to conditions existing prior to commencement of construction all in the manner of the materials and to the dimensions shown on the plans, profiles and specifications, and in the particular locations as the same are more fully shown on the plans and specifications and detailed drawings heretofore referred to.

That the structures and work and improvements heretofore described shall be constructed to the grades, sub-grades and elevations severally shown upon the plans and profiles and detailed drawings thereof, in the respective locations thereof, to which plans and profiles reference is hereby expressly made for a description of the work and improvements to be done, which said grades are hereby adopted and established as the official grades therefor for all purposes in connection with proceeding pursuant to this Resolution of Intention; notice is hereby further given that said grades may be, in part, new and different from those heretofore established or existing, or may be, in some cases, different from existing ground levels.

The plans and specifications, profiles and detailed drawings and diagrams accompanying the same are hereby expressly referred to for full and detailed description and location of said proposed work and improvements, the public streets and rights-of-way involved, and the grades of the public streets and rights-of-way in which said improvements are to be constructed.

Excepting from all of the herein described work all of said work that has already been done to the lines and grades shown on said plans and profiles, and in accordance with said plans and specifications.

All of said work shall include, without duplication, any and all streets intersections, terminations and opposite terminations occurring within the limitations of said work.

The attention of all persons is directed to the fact that all of said classes of work above described may not be constructed upon all of the streets and/or public ways above described in their entirety, but only upon the particular locations as shown on the plans and specifications; and

SECTION 3. That the said contemplated work and improvement, in the opinion of the said City Council, is of more than local or ordinary public benefit and the said City Council hereby makes the expenses of said work and improvement chargeable upon a district, which said district the City Council hereby declares to be the district benefited by said work and improvement and to be assessed to pay the costs and expenses thereof, including incidental costs and expenses and which district is described as follows:

## More About Shippey

Presidency as the extremists among his opponents asserted he was, our nation could have gone down the drain a century ago.

But instead it has made greater progress in every way, beginning with human values and justice, than any other nation or even any tribe ever dreamed of in one century. For there is something steady about the responsibilities of public office which makes most of those elected realize their obligations to the public as they never did before. And most of them, thank God, rise to the challenge with sincerity.

No matter how some of us may have been disappointed by some election results, it certainly will be best for all of us if those elected have a new birth of patriotism and dedication, and serve us with such ability and nobility that all will go well for all of us. For, despite our differences, we are all one people, one proud and loyal people, especially proud because we have the freedom to disagree, because we know that when we face a crisis, as we do right now, all of our leaders quit disagreeing until the crisis is past. We can all take pride in the fact that the whole world must have been deeply impressed — and all the Communist world, which has to make virtual prisoners of its millions to keep them from escaping to happier lands, must have been dazed — by the speed and earnestness with which our differing leaders, in the heat of battle, quit differing to show a united front to halt national peril. We didn't have to build a Berlin wall. We instantaneously formed a wall of handclaps and of will.
